GOD IS FOR YOU (I)

God's plan for you is so strong and so powerful - because He is for you.

(Rom 8:31KJV) What shall we then say to these things? If God be for us, who can be against us?

(MSG) So, what do you think? With God on our side like this, how can we lose?

- Be confident; regardless of what you see or hear - let the first word that comes out of your mouth be "God is for me".

THE SOUND OF JUBILEE: This is your year of Jubilee and favor like never before

Lev 25 : 8 -10 AMP, seven times seven years, so the total time of the seven weeks of years shall be forty-nine years. 9 Then you shall sound abroad the loud trumpet on the tenth day of the seventh month [almost October]; on the Day of Atonement blow the trumpet in all your land. 10 And you shall hallow the fiftieth year and proclaim liberty throughout all the land to all its inhabitants. It shall be a jubilee for you; and each of you shall return to his ancestral possession [which through poverty he was compelled to sell], and each of you shall return to his family [from whom he was separated in bond service].

READ Leviticus 25:1-10 KJV & AMP. Exodus 15: 20-21, Jeremiah 31:13-14

- God's design is this: the seventh day of every seven day cycle is a Sabbath; and on that day, God inserts His plan, His agenda, and His program!
- In God's ultimate creation plan He created the Sabbath year - which is in '7 year' cycles.
- Jubilee is a packaged '50 year segment' cycle. It is '7 Sabbath years of 49 years'; after which He inserts another year - the 50th year - which He calls 'The Jubilee'.
- Jubilee is a year when slaves are released. It is the year of Restoration, celebrated with music and dancing.
- Jubilee gives you a new beginning.
- Jubilee is a 'reformatting' of your life. God resets the button of your life and everything starts all over.
- God is always looking to insert Himself into all our lives.
- God is going to cause the 'ears of men to tingle' when He makes everything new in your life.
- Enjoy the Jubilee promise of 'silver and gold' and 'not one sick'. Everything is coming 'full circle' in your life. If you have had any negative experiences in the past; this is a new day in your life.
