

PRAY FOR ISRAEL

Prayer points for the nation of Israel.

*"Pray for the peace of Jerusalem:
they shall prosper that love thee."
-Psalm 122:6*

God has an everlasting covenant with the people of Israel, and He takes personally all that happens to them.

Let us fervently pray for the nation of Israel and all of God's people caught up in this crisis.

Luke 18:1-8, Psalm 122, Zechariah 1:12-21

3. That God will bring swift judgment upon every evil adversary and their enablers:
 - That God will frustrate the strategies of the evil adversary, and render their attacks ineffective.

 - That God will strike fear in the heart of the evil invaders and conspirators, and cause them to cease from their attacks and flee.
Deuteronomy 28:7. Exodus 23:27

4. That God will grant the Prime Minister and his unity government wisdom to appropriately respond to these attacks.
5. That the Lord will bless and prosper every nation who aligns with, and is providing help for Israel.
6. That the Lord will bring a swift resolution to this war.

- The Lord will restore lasting peace to Israel, especially to the Gaza strip and the West bank.
